

HOW TO GET YOUR FUNDRAISER STARTED

Four Easy, Fun, and Delicious Steps to help REACH YOUR GOAL!

1. **Contact us:** Contact Kateri Foods to register your organization, provide contact information, and let us know the number of participants.
2. **Take Orders:** Kateri Foods will mail you order forms and instructions to distribute to all participants. Set a deadline for turning in order forms – a 2-week timeframe is suggested - and tally all orders on the Master Tally Sheet. Submit to Kateri Foods.
3. **Get Paid:** Your organization will receive 50% of the value you sell (less shipping costs). For example, if you sell \$1,000 of product, you keep \$500 (minus shipping). Mail a check (at the time you submit the Master Tally Sheet) and your product will be on its way!
4. **Distribute Product:** Upon receiving the Master Tally Sheet, Kateri Foods will produce and ship an aggregate order to your ship-to location, from where your organization can distribute product.

"Your product is deliciously addictive!"

"This is homemade goodness!"

"We love that this is MN made!"

"It's so good... it's easy to sell"
